

I am writing in regards to LPFM stations taking priority over current FM translator service. I listen to K-Love on FM 91.3 and have been a faithful supporter of the station for years now. K-LOVE is a wonderful station that reaches out to many people thru positive and encouraging words and music. It would be awful if the stations were displaced by an LPFM broadcaster providing other programming. Please don't force K-LOVE off the air.

Thank you,
